

Welcome to Ms.
Newton's Classroom

ELK A

Week Of May 11-15, 2020

Monday, May 11, 2020

Literacy

Reading: Listen to Ms. Newton read “Backhoe Joe.” Talk with a family member about the kind act in the story.

https://www.youtube.com/watch?v=S58y9XmEA38&feature=youtu.be&fbclid=IwAR0_yb86Jgwx82zl5ZrduVnkFKrWTatby0xLBoOEbT6EdflwLITsVOZgW4

Writing: Start a paper chain to record all of your kind acts. Write out which kind acts you would like to do this week on your rectangles (see math lesson) and everytime you complete a kind act, add it to your chain! How long will your chain be at the end of the week?

SEE SLIDE BELOW FOR PHOTO EXAMPLES

Math

Geometry: Cut 12 rectangles strips out for your kindness chain! Try to make them all the same size and use different colours of paper.

Log in to DreamBox and complete a few lessons.

Outdoor Education & Play

Letters in Ice:

Place some plastic letters in ice cube trays, add water and freeze!

Later in the afternoon once the ice is frozen around the letters:

- Have fun trying to get them out! What tools will you use?
- Can you create alphabet soup with your letter ice cubes?
- Have fun exploring the ice and letters!

Wonder Play Discover

The Kindness Chain

Start a paper chain to record all of your kind acts.

Cut out long, colorful rectangles strips.

Write down all the kind acts you plan to do this week

Add a link to your chain every time you complete a kind act.

Display your Kindness Chain with pride!

**This is a great way to recognize, celebrate and encourage your children to participate in acts of kindness.

Tuesday, May 12, 2020

Aanii,

Here is a great local video to help us learn some Ojibway! <https://www.youtube.com/watch?v=iWrZBGEX6MM>

Literacy

Writing: Rainbow Letters - Watch the video about creating rainbow letters and try to create some!

<https://www.youtube.com/watch?v=LGenIDoBAr0&t=33s>

Printables here:

https://wonderplaydiscover.com/wp-content/uploads/2020/05/Bubble_Cc-1.pdf

https://wonderplaydiscover.com/wp-content/uploads/2020/05/Bubble_Hh.pdf

Math

Number Sense:

Read the Math Story:
Acorn for Wilaiya

Try out the activities
in the story afterwards.

Try the activity in the link:

<https://schmedia.pearsoncanada.ca/mlb/index.html?code=K3SA>

Outdoor Education & Play

Standing Long Jump (Measuring):

Let's see how far we can jump!

Find a place in your yard that has a soft landing. Practice jumping! Try to beat your distance each time you jump! What could you use to measure your jumps?

Wednesday , May 13, 2020

Hello class,
We are learning about keeping our hands clean today! Please check your Epic Mailboxes every week!

Literacy

Reading: Listen to the story
“Harry the Dirty Dog” & “Keeping
Clean” on Bookflix.

User: nndsb
Password: nndsb

<https://bookflix.digital.scholastic.com/pair/detail/bk0031pr/start?authCtx=U.794217314>

Math

Today's Number is:

7

Watch the video “I Can Show
the Number 7 in Many Ways”
(Number Recognition)

By Jack Hartmann

<https://www.youtube.com/watch?v=PfEqSjgW4tk&t=80s>

How many ways can you show
today's number on a piece of paper?

Can you write a story/problem to
go with today's number?

Outdoor Education & Play

Make Bubbles

Materials: dish soap, water, bucket or plastic container, whisk

See next slide for hand washing demo!

Make Bubbles

Materials: dish soap, water, bucket or plastic container, whisk

An important part of children's hand-washing is for them to rub their hands together until they see bubbles. Otherwise, the soap slips off and goes down the drain without cleaning their hands.

- Pour some water into a bucket or other plastic container, add a squirt of dish soap, and grab a whisk.
- Have your child use the whisk to stir up some bubbles! Ask questions such as, "What happens when you stir slowly? How about faster? What happens when you add a little more soap?" Let your child experiment and explore.
- When it's time to wash hands, remind your child of the activity. Challenge your child to make as many bubbles as possible with his or her hands!

Thursday, May 13, 2020

Bonjour! We are almost in the middle of May! I hope you are updating your May calendar. We miss you!

Literacy

Reading: Read another Forest of Reading Books (or 2!) I hope we can vote for our favorite book soon!

<https://forestofreading.com/blue-spruce/>

Writing: FREE CHOICE

You get to choose what kind of writing you would like to do!

Need an idea:

-a letter, a list, a story, a picture with labels, a card, a poster, a menu.

Math

Math in Our World: Math Talk
See Slide below for photo and questions!

Count Along Big Numbers Video:

<https://www.youtube.com/watch?v=e0dJWfQHF8Y>

Outdoor Education & Play

Try creating this Chalk Obstacle Course! (or create your own)

https://static1.squarespace.com/static/5e78ec90cb25711dfa51bbd0/t/5ea30ed74a3fda2a7b5b64b2/1587744473850/YMCAHome_ChalkCourse.pdf

The Rock Collection

MATH IN OUR WORLD

Math Talk:

1-What do you notice?
What do you wonder?

2-What doesn't belong?

3-How would you sort these?

4-What numbers or words could
you use to describe the rock
collection?

Wonder Play Discover

Friday May 14, 2020

Happy Friday!

We are going to make a snack for math today! Please remember to send a photo of what you make!

Literacy

Reading: Read the poem of the week, “Ladybug, Ladybug” and listen to the song.

<https://www.youtube.com/watch?v=qjhSgMqsAfM>

Writing- Draw some pictures to go with our Lady Bug song!

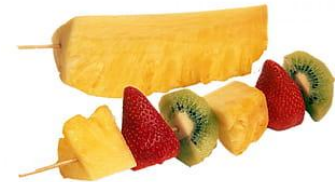

Math

Math in the Kitchen:

Make some fruit kabobs or another healthy snack.

-Can you create pattern with your ingredients?

-How many different ingredients did you use?

Outdoor Education & Play

Enjoy your snack outside!

Go for a walk, a run or a hike!

Have a great weekend!

Ladybug Song

Ladybug, ladybug
Landed on my thumb
Crawled onto my wrist.
And crawled up to my elbow.

Ladybug, ladybug.
Crawled up my arm.
And then she flew away.

Ladybug, ladybug.
Landed on my toe.
Crawled onto my ankle.
And crawled up to my knee.

Ladybug, ladybug.
Crawled up my leg.
And then she flew away.

Oh ladybug, oh ladybug.
Oh won't you be my friend!
